

NIGERIA: STUCK IN THE MIDDLE OF THE RED SEA???

Fellow Transformers,

Upon reflection on the state of our nation in the past two years, I remember the word of the Lord to us around September 2015 that our case is like that of Israel leaving the land of Egypt - the forces of Pharaoh are coming behind and there is the red sea and the wilderness to contend with.

The instruction we received was to get a generation of young people that will intercede for the nation throughout 2016 & 2017. The Lord opened the door to raise about 400 young people from a certain organisation that were willing to take up this challenge at a conference in Abuja.

However, it's a shame that myself and the leadership of the said organisation did not provide proper follow up and structure to the willing army that volunteered to carry the nation's burden for two years. I have asked the Lord for forgiveness both for myself and the leadership and I would like to ask for your forgiveness too as comrades.

In the process of waiting on the Lord for 30 days in January/February, the Lord was merciful to release a new strategy to move the nation forward. This will complement the instructions He has released to his other sons and daughters who are also carrying the burden for the nation.

The instruction is to raise a thousand voices in intercession and worship with three days prayer and fasting without food and water (Proclamation of Esther fast for those who can). We are to lift Nigeria up night and day before the Lord. Our cry will cut across the nation from 3 different locations - the South, the Middle belt and the North.

FULL STRATEGY

- 3 days Esther fast for Nigeria. 24 hours for each of the three regional armies.
- This will involve no food nor water (for those who are able); or water only for all other participants.
- Participants who can stay in God's presence for the 24hrs are free to gather at the chosen venues as well as those who can stay for one, two or three hours or more as time permits
- Proposed date: 29th Sept- 1st October 2018
- 1000 Army in the South: Lagos (29th September 2018)
- 1000 Army in the North: Kaduna (30th September 2018)
- 1000 Army in the Middle-belt: Abuja (1st October 2018)

We are working on the logistics of how to obey this instruction. It will involve a thousand voices gathering in the South (Lagos), in the Centre (Abuja) and North (Kaduna) for three days and three nights.

Prayer points

1. Lord Jesus pass through our land to root out every king Ahab and Jezebel together with the prophets of Baal in Nigeria's politics and government.
2. Power and influences of cabals within and outside, as well as the

enemies of our nation must be rendered useless and ineffective in the coming election.

3. The Lord should raise for us Moses to lead the way out of the Red Sea.
4. Joshuas and Calebs that will take us to the promise land should arise from every town, city, state, in government, politics, religion, corporate organisations etc.
5. Nation builders to begin to emerge and connect in every nook and cranny of the land and beyond.

I see a heavenly being in a posture ready to move swiftly across the nation to execute judgement upon the enemy of the Lord and those who oppress the innocent people.

Please, if this resonates with your spirit and you would like to be a part of the working team or if you would like to support in any capacity, kindly send us an email or give us a call. You are also free to circulate this gathering on your social media platforms and with other intercessors in your network and beyond.

Details about venues and times will be communicated later.

It is my prayer that our eyes will see the salvation of the Lord over our nation Nigeria in Jesus name.

Peace upon our nation - Nigeria, Amen.

Best Regards

Joel Ayodele Oluyemi
